CLEAN PROTECT

UNIVERSAL CLEANER

UNIVERSAL CLEANER AND DEGREASER

A cleaner and degreaser for every household and general use. It cleans carpet stains, oil, adhesive labels and adhesive residues, stove tops, hoods, sinks, showers, jewellery, and removes hardened silicone.

PROPERTIES

- Cleans and degreases.
- Very soluble.
- Does not drip.
- It leaves no residue or trace.

FIELD OF APPLICATION

- Suitable for cleaning vertical surfaces such as glass, tiles, mirrors, laminate, PVC, kitchen, car interiors, textiles, carpets, office equipment, etc.

USAGE INSTRUCTIONS

- Shake the dose well before use.
- Hold it vertically 20 to 30 cm from the surface to be cleaned while spraying.
- Apply the cleaner to the stain, leave for 10 to 15 minutes and wipe with a wet cloth.
- Test the cleaner on the invisible part of the surface first to avoid damaging the underlying surface.
- If you are cleaning hardened silicone, leave for 15 minutes, then re-spray the surface, wait another 15 minutes and then clean with a wooden object.
- If the surface is not yet clean, repeat the process.
- Finally wipe with a wet cloth.

PACKAGING

Aerosol dose 400 ml

STORAGE

36 months in a dry place at a temperature between +5 °C and +25 °C. Store the doses in an upright position.

HEALTH, SAFETY, HANDLING AND DISPOSAL INFORMATION

Follow normal working hygiene. Use only in well-ventilated areas. Additional safety information, safe handling instructions, information on personal protective equipment, and disposal information can be found in the safety data sheet. Safety data sheet available on request. You can also obtain a copy from your TTK sales representative.

WARNING

The information given is based on our tests and practical experience. However, due to specific conditions and working methods we recommend preliminary tests for each case of use.
