# INDUSTRIAL CLEANER

### INDUSTRIAL CLEANER AND DEGREASER

Powerful fast-drying industrial cleaner and degreaser for a variety of maintenance and assembly applications.

### PROPERTIES

- Cleans and degreases.
- Leaves no traces.
- Dries quickly.
- Can be used at any angle (360°)

### FIELD OF APPLICATION

- It is suitable for cleaning and degreasing mechanical parts. It is also suitable for preparing surfaces for the application of sealants or adhesives, for removing undried MS, PU or silicone, tar residues, grease, wax..., on most surfaces (metal, plastic, PVC...).

### USAGE INSTRUCTIONS

- Shake the dose before use.
- Spray at a distance of approx. 20 cm from the surface.
- After application, rub and dry with a dry cloth. Always rub in one direction.
- Check the effects on another surface first.

### PACKAGING

Aerosol dose 400 ml

### STORAGE

36 months in a dry place at a temperature between +5 °C and +25 °C. Store the doses in an upright position.

### **HEALTH, SAFETY, HANDLING AND DISPOSAL INFORMATION**

Follow normal working hygiene. Use only in well-ventilated areas. Additional safety information, safe handling instructions, information on personal protective equipment, and disposal information can be found in the safety data sheet. Safety data sheet available on request. You can also obtain a copy from your TKK sales representative.

### **WARNING**

The information given is based on our tests and practical experience. However, due to specific conditions and working methods we recommend preliminary tests for each case of use.
